This guide has been made especially for people under 18. To use this guide, look up the service or services you need under WHAT YOU GET column: CONTRACEPTIVES, PREGNANCY TESTS, VD, and COUNSELING; ascertain the category which you are in, i.e., whether you need parental consent or not, etc.; and, look for location number (under WHERE YOU GET IT column) opposite each of the categories. This location number tells you where you can get such service or services. The names and location of the places corresponding to these location numbers may be found in the index. To facilitate the location of such places, we have arranged them alphabetically by districts. Unless otherwise specified, these places will serve you regardless of whether you are a resident of that same district or not. It is advisable to call most places before you go, especially for contraception information.

The following is a location summary:

<u>District</u>	<u>Location No.</u>	<u>District</u>	<u>Location No.</u>
Berkeley	1 & 2	Hunters Point-Bayview	24 & 25
Cathedral Hill	3 & 4	Mission	26 - 32

CORRECTIONS to be made on the City Wide Youth Council guide on Family Planning for people under 18.

There have been various changes made in the list of VD and Family Planning agencies sent to you by the City Wide Youth Council. We would appreciate it if you would make these changes on your list so that your information will be correct.

The corrections are as follows:

- #35 - Mission District Health Center falls into the category of A-3 rather than A-1 (Contraceptives)
- #4 Cathedral Hill Medical Center is added to A-1 (Contraceptives)
- #5 Planned Parenthood. The title includes "Teen Center (under 18 only)" Their hours are Tues and Fri 2:00 p.m. to 6:00 p.m.; their services are no longer free.
- #2; #22; #23; #24; #28; and, #32 Under B (Pregnancy Tests) are to be removed from the list. These places can still be used by places that have their own doctors, however.
- #4 Cathedral Hill Medical Center is added under B (pregnancy tests). They charge \$4.00.
- #46 Westside District Health Center is added under B (Pregnancy Tests) The tests are free.
- #5 Teen Center, Planned Parenthood charges \$1.00 for pregnancy tests.
- #29 District Health Center #3 gives free pregnancy tests.
- #4 Cathedral Hill Medical Center is added to C-1 (VD tests for women). The test is free.
- #5 Teen Center, Planned Parenthood charges a small fee for their VD tests in C-1 (VD tests) They do not give tests to both sexes (C-2)
- #13; #26; #34; are to be added to D-1 (abortion and pregnancy counseling)
- #5 Teen Center, Planned Parenthood asks people to pay as they can for D-1.
- #4 Cathedral Hill Medical Center asks people to call for an appointment.
- #13 Problem Pregnancy Information Center adds "and the abortion information service" to its name.
- #15 Suicide Prevention is open 24 hours a day.
- #26 Planned Parenthood on Masonic has changed its name to Family Health Project. The location is the same. The phone number is 863-2790. The hours are Wed 3:00 p.m. to 6:00 p.m. Services and medication are no longer free. They are included in Category A-1 (Contraceptives)
- #27 Womens Need Center prefers that one call for an appointment.
- #33 Balboa High School is for Balboa students only. They give pregnancy tests...again, for Balboa students only.
- #39 San Francisco General Hospital asks people to call for an appointment. Their hours are Mon - Thurs 12:30 - 3:00 p.m.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud. The document also outlines the specific requirements for record-keeping, including the need to maintain separate accounts for each transaction and to ensure that all records are properly indexed and filed.

The second part of the document describes the various methods used to collect and analyze data. It discusses the use of statistical techniques to identify trends and patterns in the data, and the importance of using reliable sources of information. The document also outlines the specific steps involved in the data collection process, from the initial selection of the data to the final analysis and reporting.

The third part of the document discusses the various methods used to ensure the accuracy and reliability of the data. It describes the use of internal controls to prevent errors and fraud, and the importance of regular audits to verify the accuracy of the data. The document also outlines the specific steps involved in the data verification process, from the initial selection of the data to the final analysis and reporting.

The fourth part of the document discusses the various methods used to ensure the confidentiality and security of the data. It describes the use of encryption and other security measures to protect the data from unauthorized access, and the importance of regular security audits to verify the effectiveness of the security measures. The document also outlines the specific steps involved in the data security process, from the initial selection of the data to the final analysis and reporting.

The fifth part of the document discusses the various methods used to ensure the transparency and accountability of the data. It describes the use of public reporting and other transparency measures to ensure that the data is accessible to the public, and the importance of regular accountability audits to verify the effectiveness of the transparency measures. The document also outlines the specific steps involved in the data transparency process, from the initial selection of the data to the final analysis and reporting.
